Classics

Full-Body Massage | The classic one from head to toe

This massage has a beneficial effect on the whole body and provides a feeling of calm and happiness. Tensions and hardenings are relieved by kneading and stretching the muscles and the pressure point treatment. Blood circulation is stimulated as well.

50 Min. | € 65

Sport Massage | For the particularly active

This massage technique is perfectly suited to relax strained and tired muscles after sporting activities. Blood circulation is promoted and sore muscles are prevented. We recommend a sauna session followed by a rest before starting this massage.

Specials and treatments

Hot Stone Massage | Relax with hot stones

The full-body treatment with hot lava stones has a beneficial effect on body and mind, increases the personal well-being and provides for absolute deep relaxation. This treatment drains, activates lymphatic drainage, tightens the tissue, smoothes and revitalizes the skin.

50 Min. | € 80

Pure Ayurvedic relaxation massage | “pure relaxation”

Massage with warm oil (highest quality) from head to toe. Massage strokes, light pressure and gentle manoeuvres guarantee deep relaxation and improve physical and mental balance. The use of the Tibetan bell will also bring emotional and sensory benefits.

50 Min. | € 75

Special Back Massage | Our bestseller

The secret of this massage's success resides in a combination of different techniques. The handmade sisal brushes with agave natural fibres remove dead skin cells and guarantee an immediate feeling of purity. The improved blood circulation supplies the tissue, which is perfectly regenerated, with oxygen and vital nutrients. The Dr. Kneipp's hot roll is also used, the cupping glasses relieving persistent tensions and loosening the muscles. The perfect finish is the soothing back massage with the Tibetan bell, which ensures an ultimate feeling of relaxation.
